

A vibrant collage of theatrical costumes and characters. In the center is a large figure in a red and white military-style uniform with a large white beard and a blue feathered hat. To the left, a unicorn head is visible. To the right, a phoenix is shown. Several dancers in colorful dresses (red, blue, green, purple) are in the foreground, and a group of dancers in white dresses are in the background. The background is a snowy, forested landscape with a blue sky and falling snow.
