

How's this:

Hello everyone!! I'm Kelly Morissette and I've been an Educational Assistant at Elm Creek for 8 years. I had accepted the position of Area Rep for Elm Creek for one term initially. I believe I have set up a great communication system within the school. I am also available at all times for the support staff that are in and access ELM Creek.

I have liked getting to learn more on how our union operates and would love to continue as your representative for Elm Creek School.

Kelly Morissette
