Reminder: This referendum is to provide your CUPE Local with two separate executives; one for Unit A and one for Unit B. If successful, we would still be CUPE 4701 but would have two separate executives with separate by-laws, bank accounts, etc. This way we can focus more on our separate Unit identity and needs. We would stay with each other for some matters though like Work Place Health and Safety and bargaining. We will have our own bargaining committees though as we have different issues, but come together in solidarity to bargain and support each other; after all, we are still brothers and sisters in local 4701.
